Arbor Day is celebrated in all 50 states and in countries all around the world to honor one of our most important resources: trees! They are a vital natural resource that we see everywhere: parks, schools, backyards, and more.

This contest is a fun opportunity to spread a passion for nature through a hands-on activity teaching students how to identify tree leaves.

Entries must be submitted by **March 31st, 2023** and will be judged on originality, accuracy, creativity, and clarity.
